

UNITED STATES DISTRICT COURT FOR THE  
NORTHERN DISTRICT OF OKLAHOMA

ERSKIN DESHON ADKINSON,

Plaintiff,

v.

CITY OF TULSA, JEFF HENDERSON and  
SEAN LARKIN,

Defendants.

Case No. 14-MC-0007-JED-FHM

**ORDER**

On February 5, 2014, plaintiff filed a document which is styled a “Motion for Enlargement of Time in Which to File Civil Rights Complaint Pursuant to 42 U.S.C. § 1983” (Doc. 1). In that Motion, Mr. Adkinson requests that the Court grant him a “90 day enlargement of time” to file a civil rights complaint against the City of Tulsa, Jeff Henderson, and Sean Larkin. Mr. Adkinson suggests that the statute of limitations on such a claim expired on February 1, 2014. Hence, he requests that the Court extend the statute of limitations.

The Court lacks the authority to grant the requested relief. A party must initiate a civil action by the filing of a complaint within the statute of limitations period, or must establish after such filing that the statute of limitations was tolled on statutory or equitable bases. Whether a limitations period has expired or may be tolled cannot be determined from a Motion like that filed by Mr. Adkinson.

IT IS THEREFORE ordered that the Motion (Doc. 1) is **denied**. This action is terminated.

SO ORDERED this 11th day of February, 2014.

  
JOHN E. DOWDELL  
UNITED STATES DISTRICT JUDGE
